

# HAIKU RETREAT

## THE ART OF THE MOMENT: HAIKU AND HAIBUN

---

**Saturday, April 29, 2017**  
**9:00 AM - 4:00 PM**

**Offered by *Tiferet Journal***

Come celebrate spring and National Poetry Month in specialized workshop that offers you a day to detach from the distractions and stresses of everyday life to relax, reflect, and write using two ancient and time-honored forms of Japanese poetry: haiku and haibun. (Note: a haibun consists of one or more paragraphs of prose written in a concise, imagistic style, and one or more haiku. No prior knowledge or experience is required).

Gather with like-minded creative writers in a beautiful space set in the woods of Bernardsville, New Jersey to:

- ☞ Read, learn about, and write haiku and haibun.
- ☞ Learn about incorporating prose and haiku to create haibun.
- ☞ Participate in instructive and generative workshop sessions, as well as in personal writing time that includes outdoor activities in lovely and peaceful natural settings.
- ☞ Discover how writing haiku & haibun can inform and improve your longer poems.
- ☞ Translate human and natural world relationships into intensely focused written language that is life-affirming, spontaneous, and unpretentious.

- ☞ \$110.00 includes the full day of writing activities, a vintage (perfectbound) collector's issue of *Tiferet*, a free one-year digital subscription, instructional handouts, and a nutritious lunch.
