This specialized workshop offers you a day to detach from the distractions and stresses of everyday life to relax, reflect, and write using the ancient and time-honored form of haiku.

Gather with like-minded creatives in a beautiful space set in the woods of Bernardsville, New Jersey
to:

- ∞ Learn about haiku, read haiku, and write haiku of your own.
- ∞ Learn about imagery and juxtaposition.
- ∞ Discover the inside of experiences through attention to the outside.
- ∞ Discover how writing haiku can inform and improve your longer poems.

Translate human and natural world relationships into intensely focused written language that is life-affirming, spontaneous, and unpretentious.

Fee for full day and nutritious lunch is \$100.00
